

Dear Parents,

You can now use CareConnect quick scan to check in/out from your own phone!
Why is this great?

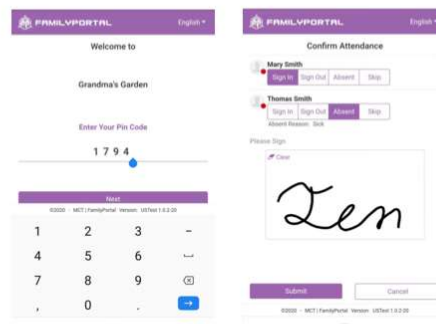

- **Fast:** No more lines waiting to sign-in on paper or a tablet. And you can check-in/out siblings at one time.
- **Flexible:** Any parents who forgot their phone or don't have a smartphone can still use a school device.
- **Contactless:** Keep contact to minimum and meet CDC recommended guidance for childcare program health and safety compliance.
- **Secure:** Much more secure than a physical signature. Only approved guardian with a valid PIN code can pick up or drop off.
- **Approved:** Meet child are licensing requirement and child care agency's compliance regulation.
