Investing in our youngest children NOW...for success in the future.

- 1 You're involved in your child's learning...the caregiver and you are partners. 
- 2 Caregivers understand your child's abilities and development. 
- 3 Your child has enough space to play both indoors and outdoors. 
- 4 Activities are planned based on children's interest. 
- 5 Learning is encouraged through hands-on experiences. 
- 6 Staff have formal education AND ongoing training in child development. 
- 7 Staff are trained in first aid, CPR, and safe sleep practices. 
- 8 Caregiver talks and listens at child's eye level with genuine interest. 
- 9 Health and safety are priorities and staff help prevent the spread of germs. 
- 10 Low staff turnover so your child is cared for by someone who knows and understand him/her.

## CHILD CARE PROGRAMS:

### California Alternative Payment Programs (CAPP)

The California Alternative Payment Program is a subsidized child care program for low to moderate income families that serves children birth through 13 years old and older than 13 up to 21 years old with IEP's. Families must be working, enrolled in training towards a vocational goal, physically or mentally incapacitated, or seeking employment. Families may use any licensed or non-licensed provider in Kings County that meets program guidelines and the specific needs of their children.

### Migrant Alternative Payment Program

Migrant Alternative Payment Programs are administered by the California Department of Education and serves children 0 through 13 years of age and older than 13 up to 21 years old with IEP's. This program serves migrant families throughout the Central Valley as they move to find employment. Families must also meet income guidelines.

### General Child Care and Development (CCTR)

General Child Care and Development programs are operated in center based settings providing education services for children 0 through 3 years of age and older. Curriculum is created with appropriate development goals, cultural background, and language use for the children enrolled.

### Private Child Care

These facilities are licensed by California State Community Care Licensing. They are privately owned by community based organizations or individuals. Curriculum, activities and program practices differ from program to program.

- Family Child Care Home
  - Small—up to 8 children ages birth to 12 years.
  - Large—up to 14 children ages birth to 12 years.
- Child Care Center
  - Group size is dependent on center's capacity for children ages birth to 12 years.

## Head Start Programs

Head Start and Early Head Start programs support the mental, social, and emotional development of children from birth to age 5. In addition to education services, programs provide children and their families with health, nutrition, social, and other services. Head Start services are delivered in centers, Family Child Care Homes, and in family's own home through the Home Based option.

- EHS serves children birth to age 5
- RHS serves children ages 3-5
- Migrant Seasonal serves children birth to age 5
- EHS/CCP serves children birth to age 4 in Family Child Care homes and Child Care Centers

## California State-Funded Preschool Programs (CSPP)

State-Funded Preschool is an educational program for pre-kindergarten children age 3-5 years, from low-income families. The program provides supportive services, including parent education, health and nutrition.

- Part day/part year 3-3.5 hours
- Full day/full year 6-6.5 hours

## California Work Opportunity & Responsibility to Kings (CalWORKS) Stage I, II, and III

CalWORKs Stages I, II, and III is a subsidized childcare program that serves children birth through 13 years old and older than 13 up to 21 years old with IEP's. Families who are eligible for Stage 1 are referred by the Kings County Health and Human Services Agency. CalWORKs Stage 2 and/or Stage 3 families are eligible when at least one adult is a TANF recipient or diversion service recipient; and who is in their 24 months of eligibility for aid. Families in Stage 2 and 3 must be working, enrolled in training towards a vocational goal, physically or mentally incapacitated, or seeking employment. Families may use any licensed or non-licensed provider in Kings County that meets program guidelines and the specific needs of their children.

## Family, Friend, or Neighbor (Licensed-Exempt Care)

An exempt child care provider is not licensed by the State of California Community Care Licensing. However, they may only provide care for one family.

- A TrustLine registered exempt child care provider has a cleared criminal history with the California Department of Justice. TrustLine is exclusive to the state of California.

## SCHOOL READINESS PROGRAMS:

### Family Resource Centers

The Family Resource Centers are community based programs for children ages birth to 5 that provide school readiness services to families residing Kings County. The services offered at these centers are developmentally appropriate, and specifically engineered to the age of the child.

### Parent & Me

The Parent & Me program is a community-based program for children ages birth to 5, designed to strengthen the parent as their child's first teacher and provide hands-on growth experiences for both parent and child which can be repeated at home during the week. Parent and child attend a session once a week where they participate in activities that are developmentally appropriate for the child.
